

Academic tools that add to your research score – Research Gate, Academia.edu & ORCID etc Academic journals (specialty-led to CME) – JCME, JCEHP, + Medical Teacher (AMEE), BMC Medical Education, Advances in Health Sciences Education

Some national journals
- Perspectives on Medical
Education from Netherlands
- Journal of Educational
Evaluations for the Health
Professions from the
Western Pacific Assoc of
Medical Education

Poster acceptance =

a publication (not just for your CV and LinkedIn page)

Sharing &
Disseminating
CME activity
results

Online journals like the Almanac, ACCME's "Tell your story" blogs

Specialty medical congresses in many disease areas

Presenting at specialist CME/CPD congresses – ECF, Alliance, SACME, ANZAHPE, AMEE,

Our poster sessions

- We have 8 posters to view and discuss and only 2 breaks in which to do this
- Each poster presenter will have 3 mins to present followed by 2 mins Q&A
- Break sessions are only 30 mins so please get your coffee/tea and come directly to the poster area

Tribute to Ron Murray
