

# EUROSPINE Diploma in Interprofessional Spine Care (EDISC)

Magareta Nordin Dr. Med. Sci. Chair, EDISC

# The Concept of EDISC

---

- Harmonize conservative spine care
- EDISC is EPIC
  - Evidence based
  - Patient centered
  - Interprofessional
  - Collaborative
- The continuum of care
- Valued-based Health Care

Started discussions 2017  
Going virtual 2021  
Full support by EUROSPINE  
First cohort 2019  
Then came COVID-19
